

THE DEPUTY REPRESENTATIVE OF THE UNITED STATES
OF AMERICA TO THE UNITED NATIONS

October 2, 2002

Dr. Walter Gehr
304 West 89 Street, Apt. 1D
New York, NY 10024

Dear Dr. Gehr:

As you depart the United Nations, let me formally thank you on behalf of the United States for your service to the Counter-Terrorism Committee. We believe the work of the CTC to be among the most ambitious and important of UN projects. Your service as spokesman for the experts and your presentations to UN and other bodies on the efforts of the CTC and its experts proved to be invaluable. In addition, by dint of your own excellence and high standards of performance you set a standard for the corps of experts who will continue to serve and who may serve the CTC in the future.

I also want to thank you in particular for your support of Sub-Committee B, our Sub-Committee. The CTC's Sub-Committees have proved an indispensable device for getting the monitoring work done. And you carried Sub-Committee B on your back. You can take enormous pride from your good service.

I thank you and wish you every success in your future endeavors.

Sincerely,

James B. Cunningham
